

# OFFICIAL S.N.A.P. Be Nice to Animals PLEDGE!

SNAP and all SNAP Pledge signee's promote kindness to animals through practicing proper pet care! We know that spaying and neutering our pets is a GOOD THING!

**I PLEDGE** to help the Spay Neuter Action Project tell others that we want all the animals to be healthy and happy and to help teach others about the following important steps to having a healthy, happy pet!

• **Spayed and Neutered**

all pets should be spayed and neutered (fixed).

• **Food and Water**

all pets should have fresh food and water EVERYDAY.

• **Socialization**

all dogs need socialization everyday- just like we want to run and play with our friends, our dogs want to run and play with us! Dog socialization includes a walk in the park, throwing a frisbee or a ball, or just lots of pats, scratches and tummy rubs! Cats and Bunnies like to play with you and their toys safe inside the home!

Pets and Scratches always welcome, too!

• **Identification**

all pets should have an ID tag, microchip, and dogs should be licensed.

• **Training**

all dogs should know basic commands and how to walk on a leash properly.

• **Grooming**

all dogs, cats, and rabbits should be brushed regularly- they love it!

• **Vaccinations**

our pets should be vaccinated from diseases that can make them very sick.

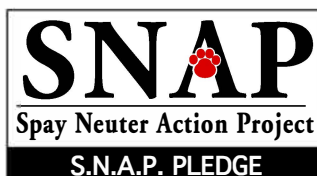

• **Beds**

all pets should have a warm snuggly area to sleep, inside the house where it is safe.
