

PART TIME RVT needed for Neuter Scooter in EL CAJON

Help save more lives by preventing pet overpopulation!

Part-time Registered Veterinary Technician (RVT) is needed for the Neuter Scooter's surgical team: Join the team that is "fixing" pet overpopulation. **Very rewarding** and fast-paced. The Spay-Neuter Action Project is a non-profit organization that provides San Diego's communities with a low-no cost spaying and neutering option for dogs and cats. Work Days/Hours: Currently SNAP is in need of an East County RVT available **1, 2, or 3 shifts per MONTH**. This is the perfect opportunity for an individual to pick up some extra \$ while working with a very good cause!

SNAP East clinics occur 3-4 days per week. Clinic schedules are planned out monthly, so your shift(s) are flexible. The RVTs' arrival time is 6:30 am on weekdays. End of shift is dependent upon completion of clinic duties and departure of all animal patients. Ordinarily, clinics are finished no later than 2:30 pm on weekdays. (You miss the traffic!)

Qualifications and Requirements:

- Registered Veterinary Technician License in good standing.
- Previous experience as an RVT with surgical experience a plus.
- Reliable transportation with travel to the El Cajon location.
- Able to lift 40 pounds, bending, and kneeling is required.
- Paid working interviews required before hire.

Duties & Responsibilities:

- Working RVT is clinic lead and responsible for monitoring and ensuring the safety of all clinic patients and staff at all times.
- Clinic set up prior to the public's arrival.
- Drawing up all required medications for clinic patients.
- Assisting veterinarian with recheck appointments and controlling the surgical schedule.
- Assisting with lifting and transporting of animals to and from the surgical suite.
- Intubation, extubating, and monitoring of animals during anesthesia and in the recovery period.
- Clean up after surgery includes but is not limited to set up for next day or packing up clinic to move to new location.
- Educating owners and answering client questions if needed.
